Epilogue

We dedicate this 1971 Light Tower to Dr. Jared F. Gerig . . .

The list is long of the progress
Which Fort Wayne Bible College has experienced since
You have become its president. Now you have
Stepped down from the presidency to serve
Our school as Chancellor. But many of the
Advancements you brought to us still remain: a larger
Campus, beautiful new buildings, and
Better facilities.

And many of them we can realize
Within ourselves: a higher academic standard,
Wider opportunities for service, and a more fulfilling
Spiritual atmosphere. You were the leader through
Whom God brought infinite blessings upon
Fort Wayne Bible College.
But our appreciation to you goes much further
Than this. It transcends the realm of the
Group and goes to the level of the individual.
For thirteen years you have not only been
A capable president, but also
A friend. To help us, your "brothers," to become
The individuals that God wants us to be
Has been your goal.
For this we, our predecessors, and
Our posterity, are indebted to you.

He Ain't Heavy . . . He's My Brother. It Is a Long Hard Road . . . But Christ Is Always There To Show Us What Brotherhood Is All About.

He ain't heavy . . . he's my brother . . . to many
Of us this phrase represents the ideas
Of love, fellowship, brotherhood
And concern, but to many they are just empty words
And familiar terms.
The students of Fort Wayne Bible College
Mean to care.
Love is a product of our relationship with Christ,
It isn't something you can study for or
Learn overnight, it comes through a deep concern
And commitment to Christ.
Our fellow brothers are important,
After all we are here to learn how to serve them,
But why wait till we graduate? Many people
Need and want our help and friendship now. We as
Students need to show our concern now . . . Christ doesn't wait . . .
Why should we?

Administration

Fort Wayne Bible College is a heavy responsibility.
And the final weight of that responsibility
Goes to those who administer the affairs
Of our college.
It is ultimately these men and women who,
Pooling their God-given abilities,
Continue to
Make our school the effective training ground
It is, for the sharing
Of the concept of brotherhood . . .

President Gerig

1955-1971

From 1955 to 1971 you have served our college
And the entire student body,
By being a friend as well as our instructor
And leader.
We are thankful for the leadership and
Concern you have brought to the college, and
Even more important,
The idea of love and brotherhood
You have shown and taught us.
We miss you as our President but now
Welcome you as Chancellor.
Involvement, leadership, concern and brotherhood
Are all part of the man Jared F. Gerig.

President

Our school is now guided by a man
Who has been dedicated to the objectives
Of our college, but who is also concerned
With the idea of communicating brotherhood.
We now look to Dr. Timothy Warner
As our leader,
In hopes of a new awakening on the campus
Of Fort Wayne Bible College.
This year was a year of changes,
One of those changes brought Dr. Warner
From Dean of the college to the President.
We are thankful that God has placed
A man who is creative, dedicated
And continues his drive for placing
Fort Wayne Bible College where it should be.

Dean

It's not everyday that a good educator
Also becomes Dean of the College.
This was a year of changes,
One of those changes came when Dr. Wes
Was appointed Dean.
It is good to know that the men who
Make up the leadership of a school
Are men who care, men who love,
And men who want the best possible
Education for their students.
It is also good when the leaders are friends
Of the students, people who sincerely
Care about what happens and who are
Ready to help anytime.

Faculty and Staff

It can get awfully wearisome
Standing before groups of students several
Hours a day,
Trying to get them excited about
The things they need to know for the future.
We see our teachers doing this . . .
Disregarding material rewards,
And taking a personal interest in each
One of us. Likewise we see
The staff continuously giving of their
Efforts in the same way.
Yet, we sense that they all do this without regret,
Because of their desire to spread
The Brotherhood of Christ.

For us our life at Fort Wayne Bible College
Is over, but our lives for serving

Our final chapter here
Has closed . . . and now the world is ours.

Congratulations

Juniors

Each year we spend at Fort Wayne Bible College, we learn more about what it means to serve others. Fellowship and love are just part of the goal of Fort Wayne Bible College. The years come and go . . . and with them comes the knowledge of understanding, love, and concern we need for others—The Christian joy of serving . . . is our final goal.

Sophomore

We are in a strange position . . . two years spent finding truth and two to go. Yet, with each day of our lives at Fort Wayne Bible College, we see what has to be done . . . We see the needs and frustrations of others. We see what part of our earthly job is . . . sharing God through fellowship and brotherhood with others.

Freshman

One of the many stops along the road of brotherhood
is learning to share and feel the needs of others.
As freshmen, we are just beginning to learn of our responsibility . . .
our response to others.
So we have come to Fort Wayne Bible College
to find the answers . . .
answers we will need to share . . .
answers we will need to show others
the brotherhood of Christ.

Campus Life

All that flows out comes from within.
If we want to fill
Our neighborhood and our world
With sincere love and compassion, that love
Must first be nurtured in our own
Environment. As we experience brotherhood within
The campus, we become more ready and willing
To share it on the outside.
This is what campus life at
Fort Wayne Bible College is all about:
An experience in sharing with our brothers.

Some Are Changes,
Some Are Memories,
Others Remain as Reminders
of Our Goal.

Christian Service

We see so many inhumanities
In the world around us . . . we ache
To do something about them. More than this,
We see so many people chained to sin,
Headed for an eternal existence in darkness.
We want to stop the inhumanities and
The ignorance . . . this is why we are here at
Fort Wayne Bible College . . .
This is what we've dedicated our lives to. And while
We're here, we're beginning to pattern our lives
In a practical and vital way. We are learning to make
Our contribution to the brotherhood . . .

Activities

He ain't heavy . . . he's my brother . . .
We want to communicate the love of Christ
To our brothers in every way possible. The problem
Has always been: How do we relate Christ to people on the
Practical, everyday, nitty-gritty level?
We learn in the classroom and in
Christian service work to communicate
Verbally, but how do we show Christ's love in
Our everyday actions?
This is where the activities and organizations come in . . .
More and more each year, they are training us
To be relevant
Communicators of Christ to our brothers.

Before coming to Fort Wayne Dr. Simpson served as a pastor for seven

STRUBHAR TO GUIDE PROFESSIONAL SEMINAR

White fluffy clouds in a blue October sky—the smell of b leaves—crisp autumn air—falling in autumn's gold and reds. All o provide the setting for the Professional Seminar.

Throughout the year considerable effort is made on campus in spiritual emphasis week, etc., to interest students in committing their lives for full-time Christian service. However, all too often many serious commitments are not followed up and do not materialize. Thus is the purpose of the Professional Seminar to be held at Oakwood Park, Lake Wawasee, October 15-17.

Rev. Robert Strubhar will be guiding the seminar in the study of the book, The Reckoning that Counts, revolving around the theme "Building Unto Full Stature."

Dennis Shields is providing the seminar with his leadership. Other chairmen working with him are: Ruth Habriel, program; John Charles, music; Dick Park, prayer; Gena Gilstrap, publicity; Martha Buss, decorations; Sherry Niccum, registration; Tom Rader, finances and transportation.

FORUM, RECRUITMENT, FOOD SERVICE SET AS CHANGES

A "Falcon Forum", Student Recruitment plan, and better food service are three definite steps of progress on the agenda for FWBC next year. President Warner plans to meet regularly with the student leaders of the campus in what he has called a "Falcon Forum." These meetings will allow a better understanding between the administration and the student body. It will also give the students a chance to present their

PROJECT '71—PROJECT FOR STUDENTS

The Great Commission can be fulfilled in this generation. You can be used by God in this fulfillment. This decade carries with it the most devastating plethora of human problems in history. Man is searching for a solution to his problems. Modern technology has provided worldwide communication in seconds. God is stirring thousands of Christians to meet the challenges and, together with Him we can do the job.

CHANGES TO BE MADE IN FACULTY POSITIONS

Fort Wayne Bible College will be undergoing several changes for the 1971-72 school year. Faculty and staff relocation is one of the major areas of change. At least two new teachers will be joining us. Miss Alice Joy Weddle, a graduate of FWBC will be joining the elementary education department. She has received her master's degree from

THE STUDENT

VOICE

A special music program will feature independent pop-style groups, a choir and vocalists in weekly concerts, as well as engagements in the area restaurants and in our own coffee house.

The drug problem in this area is very acute and a counseling program will be set up to deal specifically with this. While providing invaluable training and experience for the team members involved, the program will demonstrate to an entire community the power of Christ over our most serious and difficult problems.

The team will be divided into active groups of five to ten members according to work schedules and specialized interests of individuals.

All team members will be employed at Riverview Christian Academy or Asbury Park. Jobs will be arranged for team members according to type preferences and financial needs. Living expenses for the (16 weeks) will amount to approximately one hundred dollars.

"Sound like your bag? If so, then get your application in as possible. We're looking forward to hearing from you and see you in the summer!

Athletics

Nowhere as in the field of athletics is the need for brotherhood felt more! The Falcons have shown us a supreme example of Sportsmanship and team effort this year. Together with a drive to win, a fine coach, and the added ingredient of Christian brotherhood, the Falcons showed others what can be done with Christ on your side.

Epilogue

Life holds many roads and many stops,
For some the stops are short,
For others they are long.
One of those stops for us has been Fort Wayne Bible College.

We can never be the same again,
Nor can we ever go back to what we were.
We have learned to share,
We have learned to care,
And now we have reached the crossroad
The road leading us all to the Brotherhood of Christ.

The Editor,
Mike Pigott
